Disclaimer of Warranties. The program and data are provided “as is” without warranty of any kind, either expressed or implied, including but not limited to the implied warranties of merchantability and fitness for a particular purpose. The entire risk as to the quality and performance of the program and data is with you. Should the program or data prove defective, you and not ASHRAE assume the entire cost of all necessary servicing, repair, or correction. In no event will ASHRAE be liable to you for any damages, including without limitation any lost profits, lost savings, or other incidental or consequential damages arising out of the use or inability to use this program or data, even if ASHRAE has been advised of the possibility of such damages, or for any claim by any other party. **ASHRAE reserves the right to discontinue support for this product at any time in the future, including without limitation discontinuing support of servers facilitating access to this product.** In the event of discontinuation of support, ASHRAE will make a reasonable effort to notify purchasers before support is discontinued.

Limited Warranty. ASHRAE does not warrant that the data or the functions contained in the program will meet your requirements or that the operation of the program or the use of the data will be uninterrupted or error free. However, ASHRAE warrants the CD-ROM on which the program and data are furnished to be free from defects in materials and workmanship under normal use for a period of ninety (90) days from the date of delivery to you as evidenced by a copy of your receipt.
