“AS IS” SOFTWARE LICENSE AGREEMENT FOR SMARTSKETCH UTILITY

Licensee should carefully read the following terms and conditions before installing this SmartSketch Utility. This Software License Agreement is a legal agreement between the Licensee (either an individual or a single entity) and Intergraph Corporation, doing business as Process, Power & Marine (hereinafter referred to as “PP&M”) for the SmartSketch Utility with which this Software License Agreement is delivered. By installing, copying, downloading, accessing or otherwise using the SmartSketch Utility, Licensee agrees to be bound by the terms of this Software License Agreement (“Agreement”). If Licensee does not agree with these terms, Licensee should not download the SmartSketch Utility.

1. LICENSE: PP&M grants Licensee the non-exclusive and non-assignable license to download and use the SmartSketch Utility on any number of systems as required to operate in conjunction with a licensed copy of SmartSketch. PP&M licenses it to Licensee strictly for Licensee’s internal use and strictly in accordance with this Agreement. Licensee assumes responsibility for the selection of the SmartSketch Utility to achieve Licensee’s intended results and for the installation, use, and results obtained from the SmartSketch Utility. The SmartSketch Utility is a proprietary product of PP&M, a Hexagon Group Company, and relevant third parties and is protected by copyright laws and international treaty. Hexagon Group Company means a company controlled directly or indirectly by Hexagon AB, a Swedish corporation. Title to the SmartSketch Utility, or any copy, modification, or merged portion of the SmartSketch Utility shall at all times remain with PP&M, a Hexagon Group Company, and such third parties. The SmartSketch Utility is licensed, not sold. Any loading, use, or operation of the SmartSketch Utility, other than as specified herein, is unauthorized and in violation of applicable copyright law and international treaty. The SmartSketch Utility remains separable from and merely links to the interfaces of SmartSketch.

1.1 Licensee may: (1) copy this SmartSketch Utility into any machine-readable or printed form solely for backup purposes in support of Licensee’s licensed use of the SmartSketch Utility; and (2) modify the SmartSketch Utility and/or merge it into another software program for licensed use (any portion of the SmartSketch Utility merged into another software program will continue to be subject to the terms and conditions of this Agreement). Licensee must reproduce and include the copyright notice on any copy, modification, or portion of this SmartSketch Utility merged into another software program.

1.2 Licensee may not: (1) transfer the SmartSketch Utility and license to another company or entity. If Licensee does transfer possession of any copy, modification, or merged portion of the SmartSketch Utility to another party except as expressly provided herein, the license is automatically terminated. Any attempt to sublicense, assign, or transfer the license or the SmartSketch Utility except as expressly provided in this Agreement is void. (2) **Licensee may not** reverse engineer, decompile, disassemble or otherwise attempt to discover the source code, underlying user interface techniques or algorithms of the SmartSketch Utility by any means whatsoever, directly or indirectly, or disclose any of the foregoing, except to the extent Licensee may be expressly permitted to decompile under applicable law in the European Union, in order to achieve necessary operability of the SmartSketch Utility with another software program, and Licensee has first requested PP&M to provide the information necessary to achieve such operability and PP&M has not made such information available. PP&M has the right to impose reasonable conditions and to request a reasonable fee before providing such information. Any information supplied by PP&M or obtained by Licensee, as permitted hereunder, may only be used by Licensee for the purpose described herein and may not be disclosed to any third party or used to create any software which is substantially similar to the expression of the SmartSketch Utility. (3) **Licensee may not** use, copy, modify, sell, or transfer the SmartSketch Utility, or any copy, modification, or merged portion, in whole or in part, except as expressly provided for in this Agreement. (4) **Licensee may not** circumvent the licensing hereunder.

2. AUDIT: PP&M shall have the right, during Licensee’s normal business hours, to audit the Licensee’s use of the SmartSketch Utility and Licensee’s compliance with the provisions of this Agreement. PP&M must give Licensee thirty (30) days advance written notice prior to an audit. The right of audit shall be limited to once per calendar year. Prior to the start of an audit, PP&M’s personnel, or third party personnel under the direction of PP&M, will sign a non-disclosure agreement to be provided by Licensee. During the audit, PP&M’s personnel or third party personnel, if applicable, will be provided reasonable access to both Licensee’s records and personnel. The cost of the audit shall be paid by PP&M unless the results of the audit indicate that Licensee has underpaid fees to PP&M, in which case, the Licensee agrees to promptly pay PP&M such fees at the price previously agreed to for such SmartSketch Utility and further agrees to bear all costs associated with the audit.

3. TERM: The license is effective until terminated. Licensee may terminate it at any time by destroying the SmartSketch Utility together with all copies, modifications, and merged portions in any form. It will also terminate upon conditions set forth elsewhere in this Agreement or upon (i) Licensee’s failure to comply with any term or condition of this Agreement, (ii) any unauthorized transfer of possession of the SmartSketch Utility or any copy, derivative incorporation thereof, (iii) circumvention of the SmartSketch Utility protection device, if any exists, or this Agreement, or (iv) if Licensee fails to pay the appropriate license fee(s). Upon termination of this Agreement, Licensee agrees to return to PP&M or destroy the SmartSketch Utility together with all copies, modifications, and merged portions in any form.

4. DISCLAIMER OF WARRANTIES: THE SMARTSKETCH UTILITY IS PROVIDED "AS IS" WITH NO WARRANTIES OF ANY KIND. PP&M MAKES NO REPRESENTATIONS OR WARRANTIES WITH RESPECT TO THE SMARTSKETCH UTILITY, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. IF UNDER THE LAW RULED APPLICABLE TO THIS AGREEMENT ANY PART OF THE ABOVE DISCLAIMER OF EXPRESSED OR IMPLIED WARRANTIES IS INVALID, THEN PP&M DISCLAIMS EXPRESS OR IMPLIED WARRANTIES TO THE MAXIMUM EXTENT ALLOWED BY SAID LAW.

5. LIMITATION OF DAMAGES: IN NO EVENT WILL PP&M OR A HEXAGON GROUP COMPANY BE LIABLE FOR ANY DIRECT, INDIRECT, CONSEQUENTIAL INCIDENTAL, SPECIAL, OR PUNITIVE DAMAGES, INCLUDING BUT NOT LIMITED TO, LOSS OF USE OR PRODUCTION, LOSS OF REVENUE OR PROFIT, LOSS OF DATA, OR CLAIMS OF THIRD PARTIES, EVEN IF PP&M HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. UNDER NO CIRCUMSTANCES SHALL PP&M'S OR A HEXAGON GROUP COMPANY'S LIABILITY UNDER THIS AGREEMENT EXCEED THE AMOUNT THAT PP&M HAS BEEN PAID BY LICENSEE UNDER THIS AGREEMENT AT THE TIME THE CLAIM IS MADE. EXCEPT WHERE PROHIBITED BY APPLICABLE LAW, NO CLAIM, REGARDLESS OF FORM, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT MAY BE BROUGHT BY LICENSEE MORE THAN TWO (2) YEARS AFTER THE EVENT GIVING RISE TO THE CAUSE OF ACTION HAS OCCURRED. IF UNDER THE LAW RULED APPLICABLE TO THIS AGREEMENT ANY PART OF THIS SECTION IS INVALID, THEN PP&M AND A HEXAGON GROUP COMPANY LIMITS ITS LIABILITY TO THE MAXIMUM EXTENT ALLOWED BY SAID LAW. FURTHERMORE, LICENSEE AGREES TO INDEMNIFY PP&M AND A HEXAGON GROUP COMPANY FROM ANY CLAIMS MADE BY LICENSEE OR ITS END USERS OR CUSTOMERS IN THE EVENT THIS CLAUSE IS DEEMED BY A COURT OF COMPETENT JURISDICTION TO BE UNENFORCEABLE AND LICENSEE IS ABLE TO BRING A CLAIM AGAINST PP&M FOR DAMAGES FOR LICENSEE'S USE OF THE SMARTSKETCH UTILITY HEREUNDER.

6. EXPORT CONTROLS: Intergraph Corporation's SmartSketch Utility and any software products obtained from Intergraph Corporation, its subsidiaries, or distributors (including any Documentation or technical data related to these products) are subject to the export control laws and regulations of the United States. Diversion contrary to U.S. law is prohibited. The SmartSketch Utility, and any software products obtained from Intergraph Corporation, its subsidiaries, or distributors, and the direct product thereof, must not be exported or re-exported, directly or indirectly (including via remote access) under the following circumstances:

- a) To Cuba, Iran, North Korea, Sudan, or Syria, or any national of these countries.
- b) To any person or entity listed on any United States government denial list, including, but not limited to, the United States Department of Commerce Denied Persons, Entities, and Unverified Lists, the United States Department of Treasury Specially Designated Nationals List, and the United States Department of State Debarred List (https://build.export.gov/main/ecr/eq_main_023148).
- c) To any entity when Licensee knows, or has reason to know, the end use of the SmartSketch Utility or any software products obtained from Intergraph Corporation, its subsidiaries, or distributors, is related to the design, development, production, or use of missiles, chemical, biological, or nuclear weapons, or other un-safeguarded or sensitive nuclear uses.
- d) To any entity when Licensee knows, or has reason to know, that an illegal reshipment will take place.

Any questions regarding export or re-export of the SmartSketch Utility or any software products obtained from Intergraph Corporation, its subsidiaries, or distributors should be addressed to Process, Power & Marine's Export Compliance Department, 305 Intergraph Way, Madison, Alabama 35758 USA. Licensee shall hold harmless and indemnify PP&M for any costs and or damages resulting to PP&M from a breach of this article by Licensee.

7. COMMERCIAL USE: If the SmartSketch Utility is acquired directly or indirectly on behalf of a unit or agency of the United States Government, this provision applies. For civilian agencies: The SmartSketch Utility was developed at private expense and is "restricted computer software" submitted with restricted rights in accordance with subparagraphs (a) through (d) of the Commercial Computer Software - Restricted Rights clause at 52.227-19 of the Federal Acquisition Regulations ("FAR") and its successors, and is unpublished and all rights are reserved under the copyright laws of the United States. For units of the Department of Defense ("DoD"): The SmartSketch Utility is "commercial computer software" as defined at DFARS 252.227-7014 and the rights of the Government are as specified at DFARS 227.7202-3.

8. SEVERABILITY: Whenever possible, each provision of this Agreement and each related document shall be interpreted in such a manner as to be effective and valid under applicable law. However, if any provision of this Agreement or any related document shall be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity without invalidating the remainder of such provision or the remaining provisions of this Agreement or such related document.

9. DISPUTE RESOLUTION: For any controversy or claim that may arise out of or in relation to this Agreement or with respect to breach thereof, the parties agree to initially seek to solve the matter amicably through discussions between the parties' points of contact as listed herein. Should the parties fail to resolve such controversy or breach by amicable arrangement and/or compromise within thirty (30) days of the notice of dispute, such dispute should be escalated to parties' upper management. Should the parties fail to resolve such controversy, claim, or breach by amicable arrangement and/or compromise within thirty (30) days of the dispute being brought to the attention of parties' upper management, then the parties may, at their sole discretion, seek resolution through non-

binding mediation. If either party is not satisfied with the result of the non-binding mediation, such party may seek legal recourse through the courts in the jurisdiction chosen herein. No party may commence litigation in relation to any dispute arising out of this Agreement until it has attempted to settle the dispute by negotiation and mediation, and the mediation has terminated, or the other party refused to participate in the mediation. Any time period stated in this Section may be reduced for the sole purpose of avoiding the expiration of the Statute of Limitations for the event made the basis of the controversy.

10. CHOICE OF LAW AND JURISDICTION: This Agreement will be governed by the laws of the State of Alabama. Jurisdiction and venue for any dispute arising from this Agreement or relating to the SmartSketch Utility shall be in the United States District Court for the Northern District of Alabama, Northeastern Division, or the Circuit Court for Madison County, Alabama. The parties waive the application of the United Nations Commission on International Trade Law and United Nations Convention on Contracts for the International Sale of Goods as to the interpretation or enforcement of this Agreement.

11. DATA PROTECTION: PP&M will take measures to stop unauthorized use of its Software Products. In this connection, the Software Product may include security mechanisms that will be able to detect installations and/or use of infringing copies of PP&M's products, and data relating to such illegal or infringing use of the Software Products may be transmitted to PP&M. This transmission occurs only when there is an illegal or infringing use of the Software Product. The transmission contains only data related to an infringing or illegal use and does not contain other Customer owned data. By using the Software Products, Customer agrees and consents to such collection of data as well as the transmission to PP&M thereof.

SmartPlant® License Manager has functionality which allows Customer to upload data to a website to obtain detailed usage reports. By uploading such data Customer represents that the uploading of said data is in compliance with applicable data protection laws.

12. OPEN SOURCE SOFTWARE: Some software products may contain Open Source Software, which is licensed pursuant to the terms of the applicable open source license agreement. Nothing contained in this Agreement shall restrict any rights provided specifically for any Open Source Software by the open source licensor; however, any rights that are broader than those granted in this Agreement shall be applicable solely to the Open Source Software component. Additional open source license information may be found in the About Box or Readme Files of the applicable software product.

ANY OPEN SOURCE SOFTWARE IS PROVIDED "AS IS", WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT. IN NO EVENT SHALL PP&M, THE AUTHORS OR COPYRIGHT HOLDERS OF THE OPEN SOURCE SOFTWARE BE LIABLE FOR ANY CLAIM, DAMAGES OR OTHER LIABILITY, WHETHER IN AN ACTION OF CONTRACT, TORT OR OTHERWISE, ARISING FROM, OUT OF OR IN CONNECTION WITH THE OPEN SOURCE SOFTWARE OR THE USE OR OTHER DEALINGS IN THE OPEN SOURCE SOFTWARE.

NOTWITHSTANDING THE LIMITATION OF DAMAGES STATED ABOVE FOR PP&M SOFTWARE PRODUCTS, IN NO EVENT WILL PP&M, ANY COPYRIGHT HOLDER, OR ANY OTHER PARTY WHO MODIFIES AND/OR CONVEYS THE OPEN SOURCE SOFTWARE AS PERMITTED UNDER ITS LICENSE, BE LIABLE TO CUSTOMER FOR DAMAGES, INCLUDING ANY GENERAL, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OR INABILITY TO USE THE OPEN SOURCE SOFTWARE (INCLUDING BUT NOT LIMITED TO LOSS OF DATA OR DATA BEING RENDERED INACCURATE OR LOSSES SUSTAINED BY CUSTOMER OR THIRD PARTIES OR A FAILURE OF THE OPEN SOURCE SOFTWARE TO OPERATE WITH ANY OTHER PROGRAMS), EVEN IF PP&M, SUCH HOLDER OR OTHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

If the disclaimer of warranty and limitation of liability provided above for the Open Source Software cannot be given local legal effect according to their terms, reviewing courts shall apply local law that most closely approximates an absolute waiver of all civil liability in connection with the Open Source Software, unless a warranty or assumption of liability accompanies a copy of the Open Source Software in return for a fee.

Nothing in the immediately foregoing clauses affects any stated warranty in this Agreement with regard to the software products(s) as a whole.

13. NON-DISCLOSURE: Licensee agrees that it will hold all parts of the SmartSketch Utility in confidence and will not sell, transfer, loan or make disclosure of the SmartSketch Utility to any of its partners and third parties, unless specifically provided for in this Agreement. Should Licensee have any questions concerning this Agreement, Licensee may contact the local PP&M office or write Process, Power & Marine, 305 Intergraph Way, Madison, AL 35758.

14. SUPPORT SERVICES: Maintenance for the SmartSketch Utility is not available from PP&M.

15. LICENSEE ACKNOWLEDGES THAT LICENSEE HAS READ THIS AGREEMENT, UNDERSTANDS IT, AND AGREES TO BE BOUND BY ITS TERMS AND CONDITIONS. LICENSEE FURTHER AGREES THAT IT IS THE COMPLETE AND EXCLUSIVE STATEMENT OF THE AGREEMENT BETWEEN LICENSEE AND PP&M WHICH SUPERSEDES ANY PROPOSAL OR PRIOR AGREEMENT, ORAL OR WRITTEN, AND ANY OTHER COMMUNICATIONS BETWEEN LICENSEE AND PP&M RELATING TO THE SUBJECT MATTER OF THIS AGREEMENT.
